APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at all times in order to insure the proper distribution thereof. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One & 6/10 cubic feet per second. (1.6)

Actual construction work shall begin on or before May 1, 1916.

Proof of commencement of work shall be filed before June 1, 1916.

Work must be prosecuted with reasonable diligence and be completed on or before May 1, 1916.

Application of water to beneficial use shall be made on or before October 1, 1920. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 1, 1920.

WITNESS MY HAND AND SEAL this 1st day

of November, 1915.

Canceled APR 24 1917 because of failure of
applicant to comply with provisions of permit.

W.M. Kearney

State Engineer.
